Can You Feel the Love Tonight

from Walt Disney Pictures' THE LION KING

Music by Elton John Lyrics by Tim Rice

Slowly, with a steady beat

There's a calm surrender

to the rush of day, when the heat of the rolling world can be turned away.

if they only learn that the twisting kaleidoscope moves us all in turn.

An enchanted moment, and it sees me through. It's enough for this restless warrior

There's a rhyme and reason to the wild outdoors when the heart of this star-crossed voyager

just to be with you. And can you feel the love to-night? It is where we are

beats in time with yours.

It's enough for this wide-eyed wanderer that we got this far,

And can you feel the love to-night, how it's laid to rest?

It's enough to make kings and vag-a-bonds believe the very best.
You shake my nerves and you rattle my brain. Too much love drives a man insane.

You broke my will oh what a thrill. Goodness gracious great balls of fire.

I laughed at love cause' I thought it was funny. You came a-long and you moved me honey.

I changed my mind, love is fine. Goodness gracious great balls of fire.
Yeah, I want to love you like a lover should.

So fine, so kind, gotta tell this world that your mine mine mine mine.

Goodness gracious great balls of fire.

Rock and Roll Music
Beatles arr J Keller

Just let me hear that old rock and roll music. Any old way you choose it. It's got a back beat you can't lose it.

Any old time you use it. Gotta be rock roll music. If you wanna dance with me.

I've got no kicking modern jazz. Unless they try to play it too damn fast, And lose the beauty of the melody.

That's why I go for that rock and roll music.

Tears in Heaven

Would you know my name
If I saw you in heaven?

Would you hold my hand
If I saw you in heaven?

Would it be the same
If I saw you in heaven?

I must be strong
And carry on, 'Cause I know I don't be-

There's peace I'm sure, And I know there'll be no

long
Here in heaven.

stay more
Tears in heaven.

Time can bring you down, Time can bend your knees.

Time can break your heart, Have you beg-ging please, beg-ging please.
Wind Beneath My Wings

It must have been cold there in my shadow, to never have sunlight on your face.

For you were content to let me shine, cause that's your way.

You always walked a step behind. So I was the one with all the glory, while you were the one with all the strength.

A beautiful face without a name for so long. A beautiful smile to hide the pain. Did you ever know that you're my hero, and everything I would like to be?

I can fly higher than an eagle, cause you are the wind beneath my wings.
