F clef F clef, Playing in the left clef. Playing down low on space and line.
Change to bass now, Notes all stay in place now. Playing down low in bass this time.
Twos and Threes
Mary - the full story

Now Mary had a little lamb. Its fleece was white as snow. And every where that Mary went that lamb was sure to go. It followed her to school one day which was against the rule. It made the children laugh and play to see a lamb at school.
Edgeline, Duck and Cat snuck beneath the fence one day, and ...

... found a secret track, to a secret hideaway.
Middle Guide for Bass and Treble Clefs

Middle A, C, E and G are \textit{lines}.
Middle B, D and F are \textit{spaces}.

Middle A, C, E and G are \textit{lines}.
Middle B, D and F are \textit{spaces}.
If we change the middle keys,
All these notes will change their place,
And each line becomes a space.

Into characters like these,
Rest in Left

Rest in left, rest in left. In the right we cling on tight.

Girl in the curl

Rest in left, rest in left. In the right we cling on tight.
Natural Note Chords

- High hand
- Low hand
Natural Notes Touching Lines

Natural notes, touching lines. Double keys are inside threes. Threes are big, doubles small. Read these notes and find them all.
Left right, low high, Hop up to sky. Right left, sky ground, Threes groups hop down.
Left Hand, Right Hand,
Chord, Pedal
Moving Up, Moving Down

Moving up and moving down.

To the sky and to the ground.

Play the same note, or next door.

From the ceiling to the floor.

Find the keys by feel.
At the Start of the Alphabet

At the start of the alphabet is A, And these are the words some people say: It's a thing that you will not forget, That A is the start of the alphabet.
At the End of the Alphabet

At the end of the natural alphabet, it's G, yes G, that's what I said. At the end of the day, when you go to bed, remember the end is G, not Z.

On Each Side Of D-line

On each side of D-line, There's pairs of keys in place. These tops are space and line, These middles line and space.
D-line Goes Up

D line goes up, to pair at the top.

D line goes down to the middle.

Top space and middle space, top line and middle line,
That’s how we play in the treble.
There’s a new rule, that we have been told. In five line staves, all hollow notes hold!

Hold on for two, or hold on for three. Hollow notes mean they’re long notes you see.
Stepping Up and Stepping Down

Step - ping up and step - ping down. Line to space we go (two - three - four).

Step - ping up and step - ping down. White keys in a row (two - three - four).
First play sep, then play tog.

Notes are extras, notes are naturals, That's one way we say which kind.

Notes are lines or notes are spaces. One more way we say which kind.

Middle House

When to use it, let's be clear, when it's bass and treble clef.

Middle house, place it here, in between the right and left.
Inside my cubby house I like to stay,

Even when they take my D line away.

Even when they take my D line away.
The Happy Hippopotamus

The happy hippopotamus is showing off to me.

He's rolling in the mud and he's as happy as can be.
Tug Of War

Who will own this centre line? Will this prize be yours or mine?

Tug of war will now begin. Will the birds or frogs side win?
Double Space Notes

Three Houses

If I was a millionaire

I'd buy houses everywhere.

I'd invite my friends to play

In a different house each day.

In a different house each day.
An Alphabet Stave

An alphabet stave is any music stave with notes from A to G in order inside.
Space Notes

Space notes go beside a line.

Space notes have to touch a line.

Space notes can be black or white

Touching light or touching tight.
Bass clef pairs are **not** bottom, middle and top!

They go above and below the stave, and above and below the centre line.

**Bass Clef Pairs**

- **Staccato:**
  - a dot over or under the note(s).
  - hop off the keys straight after playing.

**Play Staccato:**

Hop then land lightly, ready for the next note or notes.
Next-door Naturals

Next door naturals, line and space. In the treble and the bass. In each place and every time, Next door notes are space and line.

Someone In Need

When you see someone in need,
You will be a friend indeed,                              Reach across today.

Reach across and help them.

You will be a friend indeed,                              Reach across today.
Bottoms and Doubles

Edge line and First space, bottoms of the treble. Second line, second space, They are doubles.

Play on the space notes, Play on lines. You will play in treble clef a million times.
Swapping the Middle Alphabet Guide

White keys go like this in bass,  Space line space line space line space.  Now continue past the top,

Then the middle notes must swap.  And that middle cat looks fine,  With her whiskers legerline.
Up at the Top

Up at the top,
Or right in the middle,
Down at the bottom we play in the treble.

Down in the bass,
The edges are double.
Notes in the middle should stay out of trouble.
