

# How to Read *Express Stave* by *John Keller*

Naturals (white keys)

Accidentals (black keys)

The diagram illustrates the mapping of notes A through G on three different clefs to piano keys. The top staff uses a B clef (Treble), the middle a D clef (Middle), and the bottom an F clef (Bass). Each staff shows the notes A, B, C, D, E, F, and G. To the right of each staff are two sets of ovals representing piano keys, labeled '3s' and '2s'. The piano keyboard on the far right shows the physical keys, with 'middle C' (C4) highlighted in pink. The keyboard is oriented with 'High' at the top and 'Low' at the bottom.
